HOW DOES THE PROGRAM WORK?

KICK-OFF

It starts with a face-to-face, 2½ hour meeting to discuss your company, business, role, team successes, challenges and objectives. The meeting concludes with agreement on specific areas of focus for the 2-day workshop.

2-DAY WORKSHOP

A specific agenda is established for you and your team over a 2-day period.

6 WEEKS OF ONGOING SUPPORT

After the workshop, you'll have weekly, one-on-one meetings to assess progress of the team. This is a critical period of time as the elements of a high-performing team are implemented, adjustments made and team feedback is collected.

WRAP-UP

After the 6-weeks of ongoing support concludes, a follow-up action plan is outlined for you to sustain a high-performing team level contributing to real business results. Touch base meetings occur at 3-month, 6-month and 1-year points after the workshop to serve as tune-ups.
